PARAMOUNT PANELS (UK)

Conflict Minerals Policy Statement

Paramount Panels UK supports the ending of violence and human rights violations in the mining of minerals from the area known as the “Conflict Region” in the east of the Democratic Republic of Congo (DRC) and surrounding countries.

We have undertaken due diligence with our suppliers including the provision of written statements that our purchases of tin, tantalum, tungsten and gold originate from outside of the “Conflict Region”.

Paramount Panels UK will not purchase products that contain conflict minerals that directly or indirectly finance or benefit armed groups in the DRC or adjoining countries. Paramount Panels UK expects its suppliers to these aspects of its business to only source minerals from responsible sources.
